

# SNOOPY BARS

RECIPES BY [AUBURNRAVEN.COM](http://AUBURNRAVEN.COM)

## Ingredients

- 6 cups cereal
- 1 cup light corn syrup
- 1 cup sugar
- 1 cup peanut butter
- 1 cup chocolate chips
- 1 cup butterscotch chips

## Directions

1. Butter or spray a 9 x 13 baking pan.
2. In a saucepan combine sugar and corn syrup. Bring to a rolling boil. Remove from heat.
3. Stir in peanut butter. Mix in cereal until evenly coated. Press into the prepared baking dish.
4. In a glass bowl, microwave all chips until melted. Spread onto bars and chill until set. Store on counter or refrigerator.

## NOTES

This recipe is a favorite of my husband. He used to get Snoopy Bars at the high school cafeteria and later at a gas station in small town Wyoming when we were passing through for our annual Custer trip. We couldn't find them one year and I spent a lot of time trying and enhancing recipes until I got the right mix. Enjoy!
